# Route Map Proposals

**Proposed DHS/Holmes West Davis Line:**  
 Unitrans is also proposing introducing a new bus line to provide more direct bus service in West Davis serving the neighborhoods adjacent to Shasta Drive and North Davis via Anderson Drive to Davis High School and Holmes Junior High School.

In order to provide better access to students living in neighborhoods across East Davis to the middle schools and high school, Unitrans is proposing modifying the T Line to serve the Wildhorse and Slide High Park neighborhoods and provide more direct connections to Holmes Junior High School via J Street.

Discontinue C Line to improve operational efficiency. Extend the B Line into Wake Forest Loop to ensure coverage.
