EFFECTIVE AUGUST 5, 2024

# 2024-2025 Service Changes

Starting Monday, August 5, 2024, the service and fare changes summarized below are effective.

## Cash Fare and Pass Price Changes

The cash fare will increase from \$1.25 to \$1.50 on August 5, 2024. In addition, pass prices will also increase. See page 6 for prices. Customers who do not have a valid pass or fare will not be able to ride.

## A, K, & M Line Night Service Changes

During the UC Davis academic year, K and M line service is added between 8:10 PM and 10:40 PM on Monday-Thursday. The A line schedule after 8:10 PM on Monday-Thursday is adjusted to depart the Memorial Union Bus Terminal at 8:40 PM and 9:40 PM to provide a combined A & Z line 30 minute frequency between campus and the Fifth Street corridor at night. During the summer, A line service is added between 6:40 PM and 11:00 PM on Monday-Thursday to improve service to the Fifth Street corridor.

## Farmers Market Shuttle Pilot Program

On Saturdays during the UC Davis academic year, a free Farmers Market Shuttle will operate between the Memorial Union Bus Terminal, the Farmers Market, and Downtown Davis in a vintage London double decker bus. The service will operate at least every 30 minutes between 9:00 AM and 12:00 PM. See page 33 for details.

## Minor Schedule & Timepoint Adjustments

Minor schedule and timepoint adjustments were made to the A, M, and Z lines. Please review your schedule closely.

## Frequency Changes

Unitrans is committed to operating the level of service shown in this printed schedule. If driver staffing is lower than expected due to continued pandemic impacts, service frequencies may be reduced. If driver staffing improves, service frequency may be increased. For the most current schedule information, always go to unitrans.com.

## Potential A/O/Z Inbound Reroute

As approved in April 2019, Unitrans will implement the approved A/O/Z line westbound reroute near the Davis Amtrak Station if safety incidents increase.

For additional information, questions, or concerns please visit our website [unitrans.com](http://unitrans.com) or call (530) 752-2877.
